Topics:

1. Basics of R & RStudio
2. Dynamic Documents using R Markdown
3. Data Visualisation
4. Data Wrangling
5. Slidecrafting using xaringan

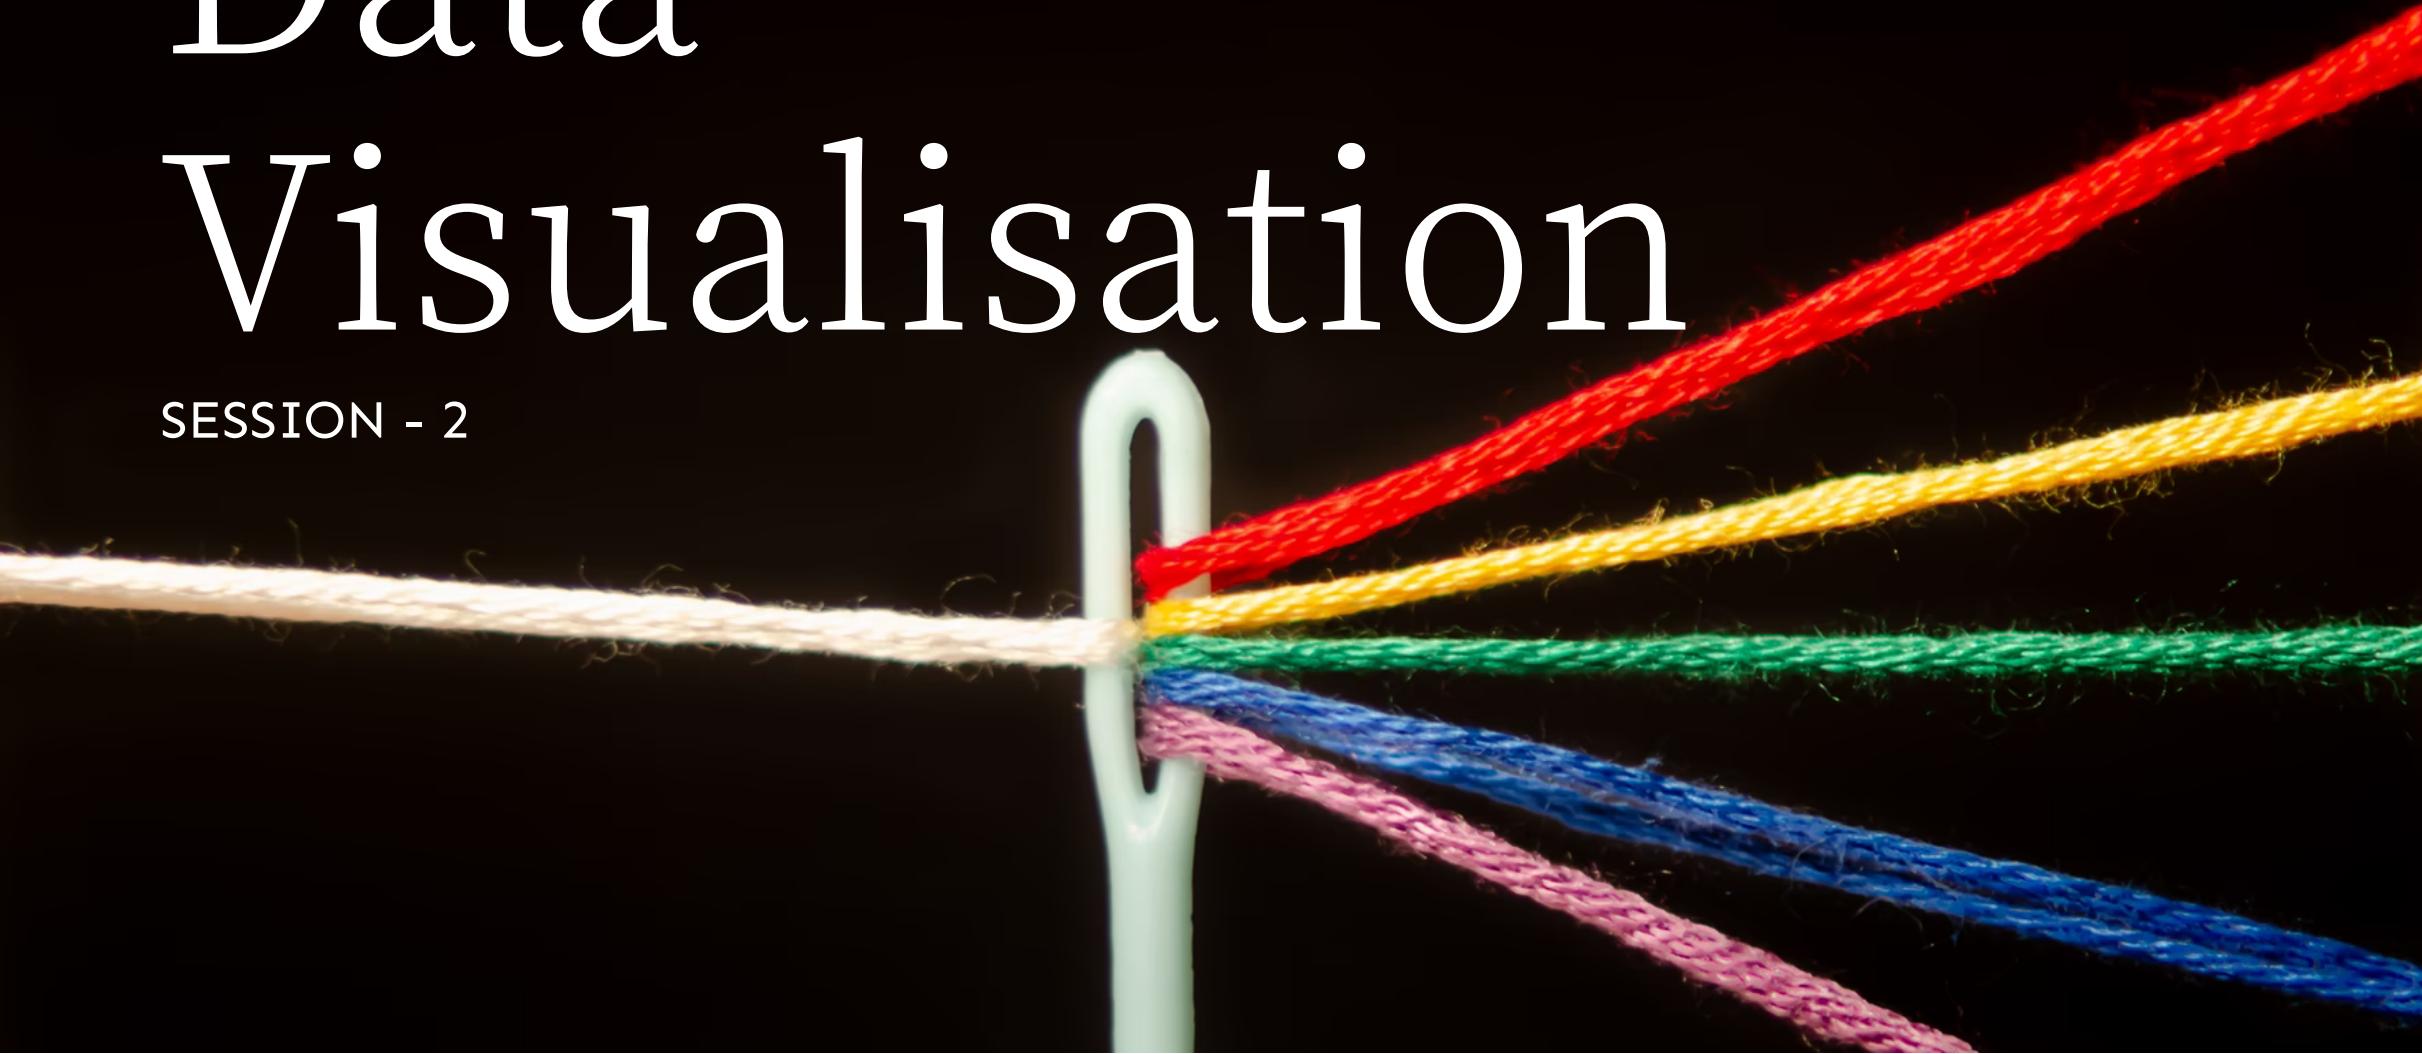

A close-up photograph of a skein of white worsted-weight yarn and a single knitting needle. The needle is partially inserted into the loops of the yarn. They are resting on a dark, textured surface, possibly a knitted garment. The lighting is dramatic, highlighting the texture of the yarn and the metallic tip of the needle.
